Taking No Chances

Farmer Thomas gave a new hand a plateful of mushrooms for his supper.

"Isn't anyone else having mushrooms for supper?" asked the hand, noticing that he was the only one eating them.

"We like them for breakfast best," said the farmer.

Next morning Thomas went to his new hand's room and asked him how he felt.

"Fine," said the hand.

Returning to the kitchen, and putting his head round the door, he shouted to his wife: "It's all right, Jane, they're not toadstools!"

No Time to Notice

Bystander—Did you get the number of that car that knocked you down, madam?

Victim—No, but the hussy that was driving it wore a three-piece tweed suit, lined with Canton crepe and she had on a periwinkle hat trimmed with artificial cherries.—**The Mutual Magazine.**

That's the Good Nature

Good nature is frequently imposed on—and seems to like it.

Beautiful Memories

Each one of us possesses a store of beautiful memories which he alone can read, a volume closed to all but himself. These are treasured throughout the years, and may include some special kindness shown, some hospitality extended, some word of encouragement spoken at the psychological moment. A recommended book, an appreciative note may have given to us lasting pleasure and inspiration.

It is decidedly ungrateful to accept so much without giving all we can! So let us take time to consider how many beautiful memories we are creating for others. Are we prompt in writing the letter which will bring happiness and comfort to some one waiting to hear? Are we dropping cards or roses or gifts to our friends on ordinary as well as special days?

Beautiful memories are easy to live with; so let us cherish those we have and deliberately go out of our way to provide many for others.—R. E. C.
